

# **Chartered Institute of Environmental Health (CIEH) Level 2 Award in Principles of COSHH (Containment of Substances Hazardous to Health)**

## **Who are CIEH?**

The Chartered Institute of Environmental Health (CIEH) is a registered charity and the professional voice for environmental health. It sets standards, accredits courses and qualifications for the education of members and other environmental Health practitioners.

## **Who is the Level 2 Award in Principles of COSHH (Containment of Substances Hazardous to Health) for?**

This qualification is designed for those who use substances hazardous to health at work. It introduces candidates to substances, the risks and controls available, and outlines what to expect from a control of substances hazardous to health (COSHH) assessment. The qualification will prepare employees to contribute to the safer use of hazardous substances in their workplaces.

## **What are the modules?**

• Definition and types of substances hazardous to health in the workplace • Health effects of hazardous substances and their causes • COSHH assessments and control options • Responsibilities imposed by the Control of Substances Hazardous to Health Regulations 2002

## **Certification**

Candidates who successfully complete the 30 question multiple choice examination (1hr) will receive a CIEH Level 2 certificate in Principles of COSHH.

## **What will employers gain by sending employees on the course?**

Nationally recognised and respected certificated training for their employees. • Employees who, at the end of the course are COSHH aware.

## **Cost**

The cost of the course is £495 per course of up to 12 persons Inclusive of VAT. Price includes CIEH certification, exam fees and Candidate Work books

## **Duration**

½ Day

## **Course dates**
